**IST 110, 210 and 220 required for entrance to ISSUC at Penn State. HACC students will be admitted to pre-major until IST 220 is completed at PSU. Students must also complete high school TRIG or Math 104 or higher at HACC. IST disciplinary courses taken at PSU or transferred from HACC have a 10-year limit.*

*** Students are encouraged to complete Foreign Language requirements at HACC. PSU Mont Alto offers Spanish and PSU York offers French, Italian and Spanish.*

Penn State requires three credits of International Cultures (IL) and three credits of United States Cultures (US). The two courses that fulfill the IL and US requirements can also be used to fulfill General Education Arts, Humanities or Social Science requirements.

Penn State requires two units in a single world language other than English. A student may be admitted with fewer than two units in a world language other than English, but must correct this deficiency by the time s/he earns 60 credits or graduates from Penn State, whichever comes first. This deficiency may be corrected by passing one three- or four-credit college level world language course or by demonstrating proficiency equivalent to two units of high school world language study.
